

## THEMATIC MANAGEMENT

**Do you work in a complex multicultural environment and are you keen to develop your skills?** CERAN will support your visions and your projects in many areas essential to the development and internationalisation of your company. Our **Thematic Management** programmes will enable you to broaden your skills and abilities in a specific area.

## Your training programmes: specific themes handled by experts

Approach specific professional themes with a specialist partner or expert:

- ✳ **Innovation:** explore the different perceptions of innovation across cultures and re-inspire your employees
- ✳ **Safety:** prepare your employees for work in high risk zones by adopting the appropriate prevention and action reflexes in line with the environments in which they are operating
- ✳ **Geopolitics:** understand the challenges of a constantly-changing world and develop strategies that are adapted to your environment
- ✳ **Inter-generational:** facilitate the integration of younger generations into your teams and promote inter-generational exchanges to get the best out of all your employees
- ✳ **Other themes:** on request

## In practice: a tailor-made organisation to closely meet your needs

- ✳ At our training centres in Amsterdam, Paris, Brussels and Spa (Belgium) or at your office.
  - ✳ Each theme can be offered via different formats (seminar, workshop, conference, Learn @ Lunch, etc.)
  - ✳ Price depending on format
